Hon. Secretary's Report.

IN reviewing the work of our Hospital for the fourth year since its opening, I must again congratulate the district generally on its increased usefulness. This has only been made possible by the continued generosity of the residents. I say this again in a spirit of thankfulness and pride, and trust it may be so repeated in each future year's report.

We have lost a very valuable, generous, and hard-working member of our Committee by the death of Mrs. Bible, of Aberdovey; she did good by stealth and will be sadly missed by a large number of people.

I am glad to report that the finances of the Hospital are in a sound condition. We started the year with a balance of £10 8s. 2d. to the credit of current account; £100 in the deposit account; and £100 in Endowment Fund account. We start the new year with a credit balance of £79 13s. 5d., and, as you will see by the balance sheet, the Committee have felt justified in transferring £250 to the Endowment Fund; this sum will be invested in Trustee securities in the near future.

Mrs. Dowthwaite has been the mainstay of the Hospital in again generously endowing her ward. Her gift of the X-Ray apparatus has indeed proved the greatest of boons, the cases under this heading having greatly increased over the year before. We have had to move this plant to one of the new rooms, the old one proving too small.

Mr. Hugh Jones, M.P.S., has again to be thanked for his very able assistance in printing the X-Ray photographs.

Among the numerous gifts to the Hospital during the year are a Wireless Set and an X-Ray Screen. I am sure everyone will join in thanking Captain and Mrs. Nanney-Wynn for presenting the wireless set, thus enabling every patient, when well enough, to enjoy the Radio programmes; also to the late Mrs. Bible for an X-Ray Screen for the safety of the operators in X-Ray work.

Our Visitors' Book at the Hospital continues to record the thankfulness of patients and the esteem in which the Staff is held.

Admissions during the year as in-patients:—

Surgical	50
Medical	22
Ophthalmic	3
Maternity	5

Operations performed by Staff:—

Appendicitis	8.	Recovered.
Strangulated Hernia	2	„
Breast Removal	3	„
Fractures	4	„
Amputations	2	„
Needles removed	4	„
Fistula	2	„
Tumours	2	„
Accidents	6	„
Other cases	7	„

 40

X-Ray examinations, 60. Out-patients, 20. Number of deaths, 2 (1 surgical, 1 medical). Average number of beds occupied, 4.

You will notice by the foregoing lists that in comparison with other years the usefulness and work of the Hospital is steadily increasing, and again one must be impressed by the skill of our Staff in carrying out all these critical operations so successfully.

In dealing with the work of the local Committees, I can only reiterate the hearty congratulations tendered to them last year on the excellent results again obtained from their subscribers. My work becomes a pleasure with everyone co-operating so unitedly to the success of our Hospital.

Grateful thanks are tendered to:—

Aberdovey—for annual subscriptions and pound day, and to the late Mrs. Bible and her energetic lady collectors for so ably canvassing that area.

Abergynolwyn—for their increased annual collection. We were pleased to see last year's increase; this year we are more than pleased!

Bryncrug—for £50, the proceeds of the annual Dysynni Valley Sheep Dog Trials. This event as usual was a great success, and the Committee are heartily congratulated thereon.

Llwyngwril—for Alexandra Rose Day collection and a generous pound day. They are now making their annual collection, but I regret that the particulars will be too late for publication in this report.

Towyn—for annual subscriptions and a generous pound day, and to the V.A.D. ladies who so successfully carried out the Towyn collection.

Penny Trail—the organisers of this annual event; the greatly increased amount being specially gratifying.

We have also to thank the organisers of Dances and Whist

Drives, etc., held in aid of the Hospital. These were all well arranged and thoroughly enjoyed.

Another welcome addition to our funds was the collection inaugurated by the Birmingham Junior Unionist Association Camp per H. G. Hewins, Esq. I hope they enjoyed their holiday here. It was a kindly thought on their part and we deeply appreciate it.

The 2nd Smethwick Boy Scouts are also thanked for their collection.

Mr. W. T. Owen as before has most generously undertaken the running and supervising of our electric light plant free of charge, which is no light job considering the amount of current used in our X-Ray work. He has also driven our Ambulance when necessary free of charge. I am sure everyone connected with the Hospital will appreciate his public service.

Church and Chapel Collections.—This amount does not seem to grow as it should, and I find that the Welsh Churches of Aberdovey and Towyn supply $\frac{7}{8}$ of the amount, the only other place of worship in all the districts which has a collection for the Hospital being the Congregational Chapel, Towyn. This seems to me a pity, and I appeal to all other religious bodies in the districts to set aside one collection during the year for the Hospital.

Endowment Fund. Started last year by Dr. Lister and further increased by a contribution this year from Mrs. Lister. It must be apparent to us all that the permanent success of any hospital can only be assured by its endowments, and I am therefore glad to see this fund increased ; may it do so year by year.

Our Matron, Miss C. J. Lewis, R.R.C., is, I am glad to say, still the moving spirit of the Institution, and one cannot praise her administration, energy and practical economy too highly.

I thank the Officers and Committee for their help at all times.

Yours faithfully,

F. H. AWDRY,
Hon. Sec.
